REDWOOD CITY, CALIFORNIA, SATURDAY, MAY 25, 1918.

ESTABLISHED 1859.

RED CROSS COMMITTEE HAVING GOOD SUCCESS

The committee having in charge the local red cross drive is meeting with wonderful success in its campaign. It is now conceded that Redwood City will go over the top in its allotment. The sum of \$9000 has been allotted to the Redwood City district which includes Portola, Woodside and this city and up to late Thursday night of this amount the sum of \$6,100 had been collected. This does not include the returns from Woodside and Portola which will be in this morning. Other big donations will be received today so that the committee feels confident that the desired amount will be on hand this evening. The drive will close on Monday.

There are quite a few who have not yet subscribed to this worthy cause. Don't be a slacker in this drive. If you have not subscribed, do so today. Call at the headquarters at 90 Broadway or at either of the local banks or see any member of the committee and donate what you can, no matter how small the amount, every little helps.

Those having donated will display their red cross buttons as this is the only means by which the committee will know who subscribed. Be sure and display your button.

Mr. Morgensen is one of the best known and most skillful creamery men in the State. He intends to make some improvements at the plant.

Mr. Hull will devote his entire attention to his farm at San Carlos where he has 500 acres of land under cultivation. Mr. Hull has been engaged in the milk business since 1885 delivering the product to patrons in Redwood City for thirty-three years.

ORDER OF SUPERIOR COURT APPEALED BY EXECUTORS

William F. Chipman and the Union Trust Company of San Francisco, executors of the estate of Josephine A. Phelps, deceased, have filed a notice of appeal to the supreme court from an order made by Judge Buck on March 18 last directing the executors to pay Mrs. Virginia Lord the balance of her annuity from the estate. Mrs. Lord and her sister, Mrs. Schroeder were the principal legatees under the will of Josephine A. Phelps, deceased.

MEMORIAL DAY SERVICES TO BE OBSERVED IN USUAL WAY

Memorial day will be observed in the usual way under the auspices of the G. A. R. this year at the Sequoia theatre. The program will begin promptly at 1 o'clock. Post Commander Chamberlain will preside. An eloquent orator from San Francisco is chosen to deliver the oration. Pupils from the grammar school and convent will sing patriotic songs, while others will recite.

MRS. J. H. MEYER LEAVES ESTATE TO THREE CHILDREN

The will of the late Mrs. Eugene E. Meyer, wife of J. Henry Meyer, the San Francisco banker, who lives at Menlo Park, was filed for probate in the superior court at Redwood City Saturday together with a petition by Meyer asking to be appointed executor.

The will, which was executed March 28, 1899, leaves the entire estate of the three children, Eugene J., Alice Marie and Charles Hille-gass Meyer, all of whom reside at Menlo Park. It provided that should one of the children be living at the time of Mrs. Meyer's death, the estate was to be distributed, one-half to the husband and one-quarter each to Mrs. Meyer's brother and sister, William F., and Alice M. Hille-gass. A codicil dated March 11, 1902 provided that in the event of Mrs. Meyer outliving her husband and children, the estate was to go to her brother and sister.

Mrs. Meyer's will names her husband as executor and requests that if he was not living at the time of her death, that Antoine Borel be appointed. Mr. Borel, who is now dead, was associated in banking with Mr. Meyer.

The petition does not give the value of the estate but says it consists of real and personal property worth more than \$20,000.

Heller, Powers & Ehrmann of San Francisco are attorneys for the estate.

ROY H. CURRAN CANDIDATE FOR COUNTY CLERK

Roy H. Curran of Redwood City, formerly manager of the J. F. Johnson Abstract Company and lately Assistant Manager of the San Mateo County branch of the California Pacific Title Insurance Company in Redwood City, has announced his candidacy for the office of County Clerk.

His ten years experience in the abstract business well fits him for the duties of the office to which he aspires.

Mr. Curran was born and raised in Redwood City, and is well-known throughout the county. He has a host of friends in every section of the county who have offered him their united support.

Final Account Filed

Josephine N. Deming, executrix of the estate of Henry S. Deming, deceased, and during life the guardian of the person and estate of Perry Staples Pond, a minor, has filed the final account of H. S. Deming as guardian. The report shows that the total receipts were during the past year \$770 and total disbursements to be \$804.63, leaving a balance of \$34.63 due the estate of the guardian. Henry S. Deming died on January 4, 1918 and the superior court of Santa Cruz has since appointed Kate C. Woods as guardian.

Duck Company to Dissolve

The Otto H. Reichardt Duck Company has applied in the superior court for permission to dissolve. At a meeting of all the stockholders held on May 13th, it was agreed to voluntarily dissolve the corporation. All the debts of the concern have been settled. The company conducted a duck farm at the Eleven Mile House.

OUTLOOK FAVORABLE FOR LOCATING SHIPYARDS HERE

The committee having in charge the matter of locating the government ship yards for the construction of concrete ships in Redwood City is working energetically and have confidence that Redwood City will be finally selected by the government. The committee has been much encouraged this week by the representatives of Washington who are here looking into the matter. They are pleased with the site, surroundings, location and the offer made by the people of Redwood City, through its representatives. It is believed by those who are in a position to know that the yards will be located here.

The town trustees held a special meeting on Wednesday evening to accept a petition signed by the taxpayers and voters of Redwood City, asking that a strip of land comprising the road to the water front and fifty acres of the harbor land be annexed to the city. After accepting the petition it was referred to the board of supervisors, who have jurisdiction and who will act on it at their next meeting. The trustees will then proceed to call an election to give the people an opportunity to vote for annexation. Having the property annexed another election may be called to bond the city for a sufficient amount to purchase the property and build a street car line to the proposed site of the ship yards. The people are behind the committee in anything they may do towards locating this enterprise in Redwood City.

It is estimated that fully 5,000 men would be employed at the plant in constructing these new ships of concrete. Anyone may readily see what a big benefit this new enterprise would be for Redwood City. These men who are giving their time, energy and hard work to bring such a mammoth plant here are deserving of the thanks of the community.

NEW REDWOOD THEATRE NOW UNDER NEW MANAGEMENT

J. Greenberg and William Block, experienced moving picture men of San Francisco, have leased the New Redwood Theatre on Main street and will give the patrons of the well-known show house the very best of pictures. They have changed the name to that of the Liberty theatre. All up-to-date pictures will be shown at this theatre. Shortly the "Unbeliever" about which much has been written and which has caused such a furor in San Francisco, will be seen here. At considerable expense the new management has succeeded in securing the picture for Redwood City.

Mr. Greenberg and Mr. Block are both experts in the business, having been for a number of years connected with the largest show houses in the metropolis. Their efforts will certainly be crowned with success.

SOCIAL SERVICE COMMISSION TO PRESENT RESOLUTION

At a meeting of the Social Service Commission, on May 20, 1918, it was unanimously voted that the following resolutions be presented to the Board of Supervisors at their regular meeting, May 27, 1918, at 10 a. m.: WHEREAS, members of the Board of Supervisors, both individually and collectively have expressed themselves in favor of a new County Hospital, and a complete abandonment of the old institution which is a disgrace to this county. BE IT RESOLVED: That this Commission appear before the Board of Supervisors and request that some definite action be taken at once relative to a new County Hospital, which is of vital importance to the welfare of the community. BE IT FURTHER RESOLVED: That the Board of Supervisors be requested to appoint a committee composed of three members of the Board of Supervisors, three members of the Social Service Commission, and a representative of the State Board of Charities, to report on suggested sites, plans and estimates of cost for a new County Hospital, said report to be submitted to the Board of Supervisors not later than June 3, 1918.

APPLIED FOR LETTERS

Belle E. Hornlein has applied in the Superior Court for letters testamentary upon the estate of A. E. Hornlein, who died on February 8, 1918. The estate consists of an interest in certain furniture valued at \$500 and an interest in the suit entitled Hornlein against Bohlig, now pending in the court of appeals, first district. The deceased left a will bearing date of May 12, 1915. The entire estate was bequeathed to petitioner and her minor child, Lionel Hornlein, aged 6 years. Sullivan and Sullivan and Theodore J. Roache are the attorneys for the estate.

All Spanish-American war veterans and Sons of Veterans are invited to take part in the Memorial Day exercises and parade to the cemetery.

WILL HOLD ENTRANCE EXAMS. ON JUNE 24, AT COURT HOUSE

Superintendent of Schools, Roy W. Cloud, announces that on June 24, at 10 a. m. at the court house, Redwood City he will conduct entrance examinations to the University Farm School. This examination is open to young men 18 years of age or older who are not graduates of a high school accredited to the University.

The examination will consist of problems in arithmetic through decimals, fractions, and percentage; and in English, of writing an essay on an assigned subject.

There are many young men in our county who are making their way and expect to do so in some kind of ranch work; young men who have not found it possible to go to a University. Those young men will find the University Farm School an opportunity to secure from one to three years' education and training that will increase their earning power as is shown by the success of more than 1000 students who have attended the University Farm School.

By taking the examination arranged for by the County Superintendent, young men will know before they leave home whether or not they will be admitted to the school. Registration September 27th, opens September 30th.

With the high wages men are earning on ranches this year any young man ought to be able to save enough money in a few months to enable him to take at least one year of training at the Farm School after the rush work of the summer is completed and especially so if he has not yet reached the age when Uncle Sam needs him in his military service.

REPORT OF SESSION OF BOARD OF SUPERVISORS

The board of supervisors met in adjourned session Saturday, May 18, at 10 a. m., there being present Dr. C. V. Thompson, presiding, T. L. Hickey, Wm. H. Brown, Jno. MacBain and Jos. M. Francis.

Mrs. John McGinn, chairman of San Mateo County Woman's Branch of the State and County Councils of Defense, addressed the board and asked for an appropriation to assist in carrying on the child's welfare work in the county. Mrs. McGinn read a letter from President Wilson endorsing this work throughout the country.

On motion of Brown, seconded by Hickey, it was ordered that the application of Mrs. McGinn for aid be received and consideration of same be taken up at the meeting of June 3.

A communication was received from W. C. Hassler, county health officer of San Francisco, asking the board to appoint a committee to meet with the San Francisco board of health for the purpose of formulating some plan to establish a joint tuberculosis sanitarium for San Francisco and San Mateo counties in the latter county.

On motion of MacBain, seconded by Hickey, the clerk was directed to answer Hassler that San Mateo county is contemplating building its own sanitarium.

A communication was received from R. L. Adams, State Farm Labor agent at Berkeley, asking the board to send a copy of the law regarding the handling of the vagrancy situation in San Mateo county and also for an opinion as to the value of a uniform standard and equal enforcement of a law common to all counties.

The clerk was directed on motion of Francis, seconded by MacBain, to answer the communication and state that San Mateo county has no law at the present time covering the above problem, but is willing to cooperate in every way possible in the matter.

The new \$6,000 laundry building now being erected on Main street by George Beer for Otto Plump is being rushed along as fast as possible. It will be a big improvement to that locality.

The G. A. R. Post and Women's Relief Corps are making preparations for Memorial Day. They hope to have the band and soldiers from Camp Fremont, as all soldiers are invited to participate in the parade.

STATE HEALTH OFFICER ADDRESSES CITY COUNCIL

Nothing but routine business was transacted by the city council at the regular meeting held on Monday night. All the members were present.

Robert N. White of San Jose, a representative of the State Board of Health for Central California, addressed the members relative to the formation of a proposed health district in San Mateo county, to include this city.

White gave a brief outline of the plan for forming such a district and of the work that would be carried on, a large part of which would be in looking after the health of infants in the community. Inspectors and nurses would be appointed and the expenses incurred in carrying on the work would be borne by the taxpayers of the district. The speaker invited the board to attend a meeting that is to be held at Palo Alto tomorrow evening to discuss the problem.

The Dixon Peninsula Express Company, which is to conduct an express business between San Francisco and Palo Alto, was given a permit to operate in this city.

The board renewed the \$4000 insurance carried with the Firemen's Fund Insurance Company, through E. B. Fox, the local agent, on the city chemical engine.

The owner of a Japanese nursery in Volita Park appeared before the board and asked that the city's water mains be extended so as to supply him and several others in the park with water. After consultation with Water Superintendent Dickey, the board decided that the revenue from the sale of the water would not warrant the expense of laying the necessary pipes to reach the district, which lies outside the city limits, and suggested to the nurseryman that he lay his own pipes and connect with the end of the city's main.

The board, on motion of Trustee McNulty, chairman of the finance committee, and seconded by Trustee Jones, voted to appropriate the sum of \$250 to the Redwood City Chapter of the Red Cross in the present drive for funds.

Small Blaze in Capitol Market

A fire started from an oil burner in the rear of the Capitol Market last Thursday and spread to the wood work and for a while it looked as though the flames would destroy the entire block. The fire department responded promptly and put out the blaze before much damage was done. Mr. Williams, the proprietor, is making arrangements to change the oil burner to a gas burner, which is considerably safer.

Phelps, deceased, have filed a return of sale in the superior court of 972.65 acres of land belonging to the estate to the Spring Valley Water Company for \$90,000. The property was appraised for that sum during the past year. For some time the Spring Valley Company has had an option on the land paying five per cent on \$100,000, the price agreed upon and to be paid within fifty years.

The property lays back of San Carlos and comprises the Henry and Hussey valley. It contains a good watershed and is desired by the company for this purpose. The executors ask that the sale be confirmed and that a day be set for hearing of the petition.

In the re-organization of the board,
since the re-election of John E. Cow-
gill, insisted that union and civil
service principals be carried out to
the letter, and that seniority should
take precedence over all other qual-
ifications; and hence he proceeded to
place Fred E. Kendall in nomina-
tion to succeed himself as chairman
and Clarence E. Haydock to become
his own successor as clerk of the
board. Cowgill's only ambition is
to always have the deciding vote on
the board.

Quite a coincidence has developed
in the fact that all of the school trust-
ees carry the same middle initial;
and the Red Cross Committee in the
X-mass drive boasted the same dis-
tinction. Mrs. Mary E. Quinn, Mrs.
Gladys E. Peterson and John E. Cow-
gill.

The school board will soon have
spent the \$15,000 voted by the people
for the purchase of a school site, the
construction and equipment of a
building and they will soon be open
for commendation or condemnation.

Mrs. Reed of the Reed Pickle Fac-
tory fame was in this vicinity last
week looking for ground to lease on
which she will grow cucumbers and
tomatoes with which to supply her
factory. Mrs. Reed has heretofore
only contracted for the crops in the
bay regions and down the peninsula
but her business has grown to the
extent that she cannot depend upon
that source for her supply and hence
she is forced to grow a part of her
own vegetables.

Mrs. Claud L. French, with her
mother, visited friends and relatives
in the cities over the bay a part of
last week.

A beautiful red cross, the handiwork of the employees of Hull Bros. store, is displayed in the show windows of the hardware store. It is a reminder to those who have not contributed to the Red Cross cause to do so at once as the drive closes on Monday next.

The young ladies and gentlemen of Redwood City are preparing to put on a play at the Knights of Columbus recreation hall at Camp Fremont early in June. W. B. Curran will have the affair in charge. A list of those who will take part in the performance will be published next week together with the title of the play. Other communities are staging plays at the hall for the amusement of the soldier boys and the young people here feel it incumbent on them to do likewise.

NAVAL BATTLE SCARES FILM YACHTING PARTY

There was no end of work for a number of prominent screen players in "Blue Blood," a thrilling Selexart drama, distributed by Goldwyn, so one breathing spell in the form of a yachting trip came as a welcome relief. It was a voyage in San Francisco Bay, the jollification continuing even during the time devoted to the taking of scenes abroad the craft. The "Blue Blood" company spent two days abroad the yacht. One day would have sufficed to snap the necessary scenes, but a squall spoiled the director's plans but delighted the players, who danced and sang in the cabin while the rain fell outside. That night the party, especially the fem-

nine members of it was given a scare by the rumbling of gun fire around their craft. Word that the din was due to manoeuvres by Mare Island "jacks" relieved them, however, and the rest of the evening was spent in viewing the sham naval battle being waged close by.

Among those who participated in the fun abroad the honeymoon yacht were Howard Hickman, Mary Mersch George Fisher, Ida Lewis, Nona Thomas and, of course, Elliot Howe, director of "Blue Blood" which comes to the Liberty Theatre beginning Sunday, May 26th, for one day only.

Pescadero went over the top in the Red Cross drive. Great credit is due to the ladies who did the collecting.

Supervisor Thompson has been in Los Angeles during the week attending the Supervisors' Convention. During his absence he has had a physician from the Lane Hospital attending to his practice.

Frank Goularte, candidate for constable, was a city visitor this week.

Walter Bloom was a visitor on the coast side for a few days this week, looking after his timber business.

Lee T. Ross, the Redwood City attorney, was in town last Wednesday on business.

We are glad to report that John Machado, who has been so ill at the Red Cross Hospital for the last two weeks and strength and will soon be able to come home again.

Frank Williamson was a visitor in Santa Cruz last Sunday.

The road from Pescadero to San Gregorio is being put in fine condition. It is the intention of Supervisor Thompson to rock all the highway as soon as he can obtain the material.

SAN CARLOS ITEMS

Mrs. Paul Brittan Moore, nee Belle Brittan, was a visitor to San Carlos last Thursday in company with her business manager, looking after her interests in the Brittan estate.

Mr. E. T. McLean, brother of Mrs. Virginia A. Lord, was in town last week in the interest of himself and other heirs in the Phelps estate.

Mr. John H. Jones, Government Inspector, stationed at Redwood City, was in town the latter part of the week to see that the ranchers in this vicinity made no slip up in their efforts to exterminate the imported rats which have become so numerous of late and have been infecting our squirrels with the bubonic plague.

Messrs. Rogers and Nelson, the old journeymen carpenters, were here last week placing fences across Cherry and Olive streets at the intersections to the State highway and the County road, where these streets cross the S. P. tracks.

Miss May Platt, who was to have accompanied her great aunt, Mrs. E. H. Botterell, to her home in Victoria, B. C., decided to remain in California a few days longer and return via one of the central trans-continental lines through the U. S. to Chicago.

Miss L. R. Bush is here for several days visit at the home of her friend, Mrs. Virginia A. Lord.

Supt. of Streets John V. Clark is taking up the water pipe along the county road to be used in extending the water lines down Laurel street from Cypress Avenue to the Quinn and Hatfield residences.

Mr. Schive, the proprietor of the San Carlos Berry Farm, was down last week to look into the prospects for this season crop of berries and vegetables.

Chas. J. Kirsch and J. P. Dunn, agents for the Hearst papers were canvassing our city for additional patrons last week.

Mr. John A. Gill, the genial tariff inspector for the S. P. Co., was here last week inspecting the files at the station and gave our agent a clean bill of health for the next six months. Mr. Gill is very partial to San Carlos owing to our delightful climate and pleasing surroundings and is looking forward to making him home here at some future time.

The old salt creek at the Ohlo building is becoming as popular this season as a rendezvous for the San Carlos young folks and their visiting friends as it was last year; and it has become as dear to them as the famous Whitcomb Riley "swimming hole" was to the young "Hoosiers" of a bygone age. And it is here that many of our young misses entertain their soldier boys while disporting themselves in the seductive waters of the beautiful San Francisco bay.

Last Sunday Corporal Jacob A. Blik of the Officer's training camp, Camp Fremont, was the guest of Miss Muriel Clark, and Private Clement S. Loubert was entertained by Miss A. Genevieve O'Brien.

The Red Cross drive is now on in earnest and no one need expect to escape while Capt. Frederick E. Kendall and his several aids are on your trail.

Mother Shipman's timely prediction, written in 1710, and couched in such rhythmic rhyme, is so beautifully and pathetically appropos at this time that it is well worth repeating for the pleasure of those who may have never read it.

"When pictures look alive with movements free,
And ships like fishes swim beneath the sea;
When men, outstripping birds,
shall scour the air,
Then half the world deep drenched in blood shall be."

At the regular meeting of the school trustees last Thursday evening the board unanimously endorsed the motion of Trustee Kendall permitting the popular teacher, Miss Gertrude Hind to employ such musicians as she may see fit, to the extent of three pieces, to supply music for the entertainment which she has been so carefully preparing for the past two weeks. The board has also decided upon furnishing the principal's office with rattan table, rocker,

MENLO PARK NEWS OF ALL SORTS

The horseshoe school at the remount depot is now ready to receive twenty-five animals a day for shoeing. The school is in charge of Prof. James Murray.

Corporal Frank Derry is here from Camp Lewis on a furlough of six weeks visiting his parents. The corporal likes camp life, is pleased with his treatment at the camp and is anxious to get to the front.

The George T. Clark place on the Walsh road near Menlo Heights comprising of 1 1/2 acres of land, a fine home and beautiful grounds, has been sold to Attorney Dorn of San Francisco. Mr. Clark is a professor at Stanford. The property was sold for \$17,000.

Bishop Cantwell of Los Angeles was a visitor to St. Patrick's Seminary on Wednesday. Before his consecration as bishop of the southern diocese he was vicar general of this diocese and at one time was secretary to the late Archbishop P. W. Riordan. His Grace is well-known here having spent many happy days at the institution while acting as secretary for the archbishop.

The monument erected in Golden Gate Park by the front of San Francisco to the memory of Stephen Russell, the heroic chief assistant fireman who gave up his life in the line of duty last year, will be unveiled next Thursday with appropriate ceremony. Relatives and friends here, the boyhood home of the deceased, will be present at the unveiling. All the city officers and many of the state officials will attend. Mayor James Rolph will be the chief speaker.

Father O'Connell, chaplain for the Knights of Columbus recreation hall at Camp Fremont, departed Wednesday for France to engage in similar work there. On the eve of his departure he was tendered a farewell reception by the soldiers and others who admired his unselfish devotion in his arduous work. He is to be succeeded by Father Kennedy, pastor of Mission Dolores and organizer of the Kennedy Ladies while he was assistant pastor of St. Paul's church in San Francisco. Father Kennedy and his organization often entertained the people of Menlo Park where the father a well-known. He is a splendid organizer, a faithful worker and a devout and holy priest, who will become popular in his new position.

The members of the new Moose Lodge, which has just been organized in Menlo Park, were given a banquet at a hall in Palo Alto last evening. The Campfire of this place prepared and furnished the meal. Over 250 members of the lodge were present and all speak in glowing terms of the splendid service of the Campfire.

An old Spanish coin, bearing the date of 1850, has been unearthed at Camp Fremont, according to L. P. Bailey, a foreman in charge of the excavation of a machine gun range. The coin, which is now rare even in collections, is slightly larger than a twenty-dollar gold piece, but is thinner and lighter. It is worth about \$16, according to old Spanish residents who have seen it. It was found at a depth of about two feet by Archie Spicer, one of the men employed by Bailey.

FREMONT SKATING PAVILION BECOMING VERY POPULAR

Large crowds are visiting the new Fremont Skating Pavilion every night and the floor is constantly filled with genuinely enthusiastic skaters.

As one watches them glide over the smooth floor so easily and gracefully, he readily agrees with the world's champion skater, Lillian Vernon, who says: "Skating is great sport and splendid exercise, healthful, refreshing and most fascinating. Its series of balanced movements corrects posture, develops elasticity of muscles and grace of motion. Many pretty steps, such as waltzing, tango and foxtrots can be executed as easily and gracefully as straight skating."

Ladies from Menlo, Redwood and Palo Alto, are forming clubs for private lessons, and when they are a little more proficient in skating, there will be as many enthusiastic ladies as there are now gentlemen participating in this most popular and delightful amusement, which is adding so much zest, happiness and enjoyment to the camp life of the soldier boys.
